"Grow old along with me / the best is yet to be."
- Browning

As each page unfolds before you, our theme, The Circle of Life, will be disclosed. This symbolizes that everyone moves many times 'round the seasons before his last revolving year is through.

"A Reason To Believe"

Words cannot fully express the gratitude we feel toward our advisors for their dedication and service. We believe that our yearbook is a part of ourselves therefore we are dedicating it to Mr. Hobson and Mrs. Widmer who have given so much of themselves to our class. Thank you Mr. Hobson and Mrs. Widmer.

The Sands Of Time

Mr. Terry Dempsey, member of the Board of Education from 1969 to 1973 was very active in community affairs. He participated in the North-Lawrence Fire Department, Nichoville-North Lawrence Lodge 499, North Lawrence V.F.W.. He was treasurer of the Tri-Town Baseball Association, a member of the Canton Chapter of the Barbershop Chorus, and Elks Club. As the father of four children, Kelly, Kirk, Kimberly, and Kyle, and husband of Winifred Dempsey, he displayed a keen interest in activities at S.L.C.

Not marble, nor the guilded monuments of princes, shall outlive this powerful rime; But you shall shine more bright in these contents Than unswept stone, besmeared with sluttish time.

When wasteful war shall statues overturn, And broils root out the work of masonry, Nor Mars his sword nor war's quick fire shall burn The living record of your memory.

'Gainst death and all-oblivious enmity Shall you pace forth; your praises shall still find room. Even in the eyes of all posterity That wear this world out to the ending doom.

So, till the judgement that yourself arise, You live in this, and dwell in lovers' eyes.

"Sonnet 55"
Wm. Shakespeare

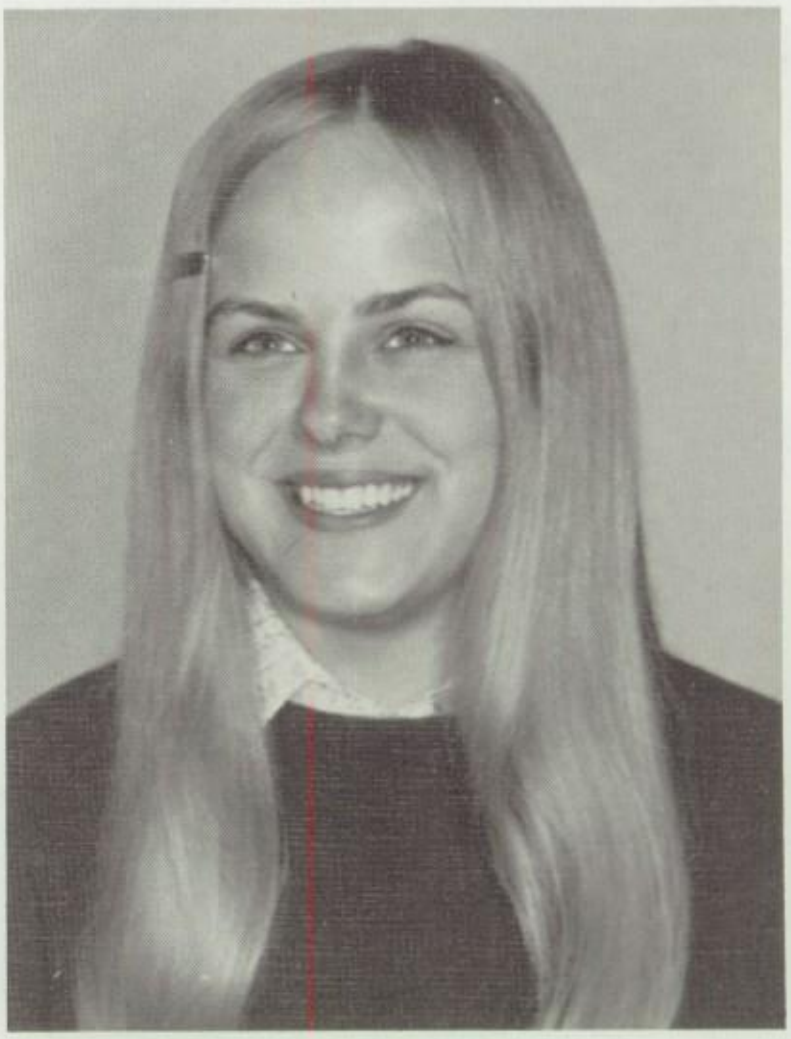
She walks in beauty, like the night Of cloudless Climes and starry skies; And all that's best of dark and bright Meet in her aspect and her eyes: Thus mellowed to that tender light Which heaven to gaudy day denies.

One shade the more, one ray the less, Had half impaired the nameless grace Which waves in every raven tress, Or softly lightens o'er her face; Where thoughts serenely sweet express How pure, how dear their dwelling place.

And on that cheek, and o'er that brow, So soft, so calm, so eloquent, The smiles that win, the tints that glow, But tell of days in goodness spent, A mind at peace with all below, A heart whose love is innocent!

"She Walks In Beauty"
Lord Byron

Sherry Fregoe, born December 23, 1954, died April 7, 1973. A student here at St. Lawrence Central, she was daughter of Mr. & Mrs. Eugene Fregoe. Being an active student, she participated in Health Careers, French Club, Outing Club, 1973 Yearbook Staff, Honor Society, and was an officer of her class. Her classmates have commorated her by placing a trophy case in the main lobby.



School's Out Forever

Mrs. Langelier

We are grateful to Mrs. Langelier for devoting twenty-one years of her life to teaching here at S.L.C. She has taught all levels of Senior High English. Before coming to us, she taught for eight years at Moira High School and one year at Brushton.

Mrs. Langelier graduated from Bombay High School, and later attended St. Lawrence University where she earned her degree in teaching. She has also completed graduate work at Geneseo and Plattsburgh State Colleges. She now resides at her home in Moira, N.Y. with her family.

Vague memories of desks abandoned and scattered,
Of reusable textbooks torn and battered,
Of students stumbling as they go
Toward what goals in their lives.
Only they know.
You help them to learn, live, grow, and survive,
And to discover that they're really alive.
So even though you've put away your books and laid down your pens,
The memory of you, teacher, will live again and again.

Mrs. Van Alstine

Everyone realizes how important grade school is in building a foundation for future years of schooling. Knowing this, Mrs. Van Alstine has done a fine job teaching second grade since centralization in 1949. We offer her our sincerest thanks for such devoted service.

Having graduated from high school in Potsdam, Mrs. Van Alstine continued on to earn her degree at Potsdam State. She has a home in Sanfordville, N.Y. where she lives with her family.

This year the Chess Club has an active membership of about 30 students. These "Grand Masters" are continually fighting for rank, complaining about absent opponents and for the most part giving the Club President a hard time. This year we hope to continue having matches with other schools providing that they dare play our motley crew. Many thanks go to Mr. Stahl for allowing us to use his room as a tournament hall as well as Mr. Wesoloski our "Daredevil Director of Transportation."

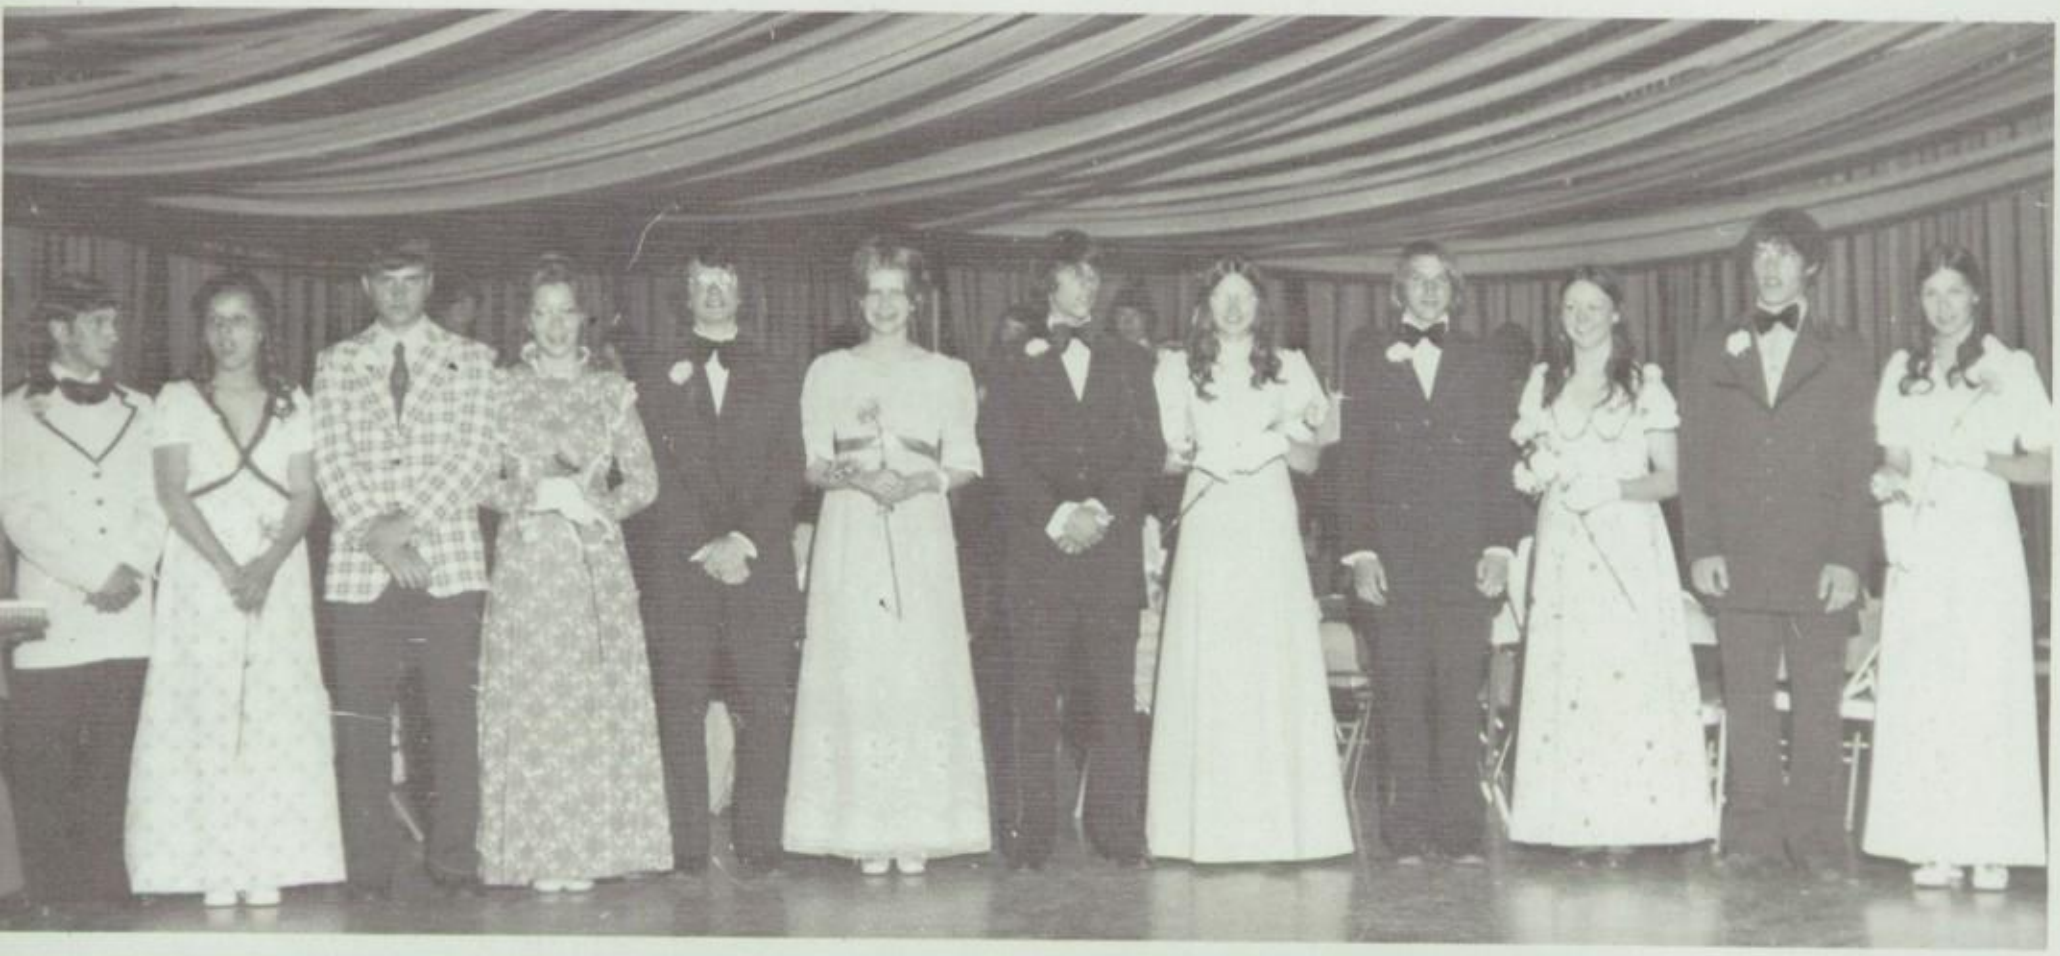
Butterflies Are Free



'Twas the day before prom night
And all through the school,
The juniors were busy.
The teachers were cool.
The crepe paper was taped to the walls in the gym.
The butterflies hung from the basketball rims.
When all at once through the gym doors they came.
All of those juniors too numerous to name.
The record player blasted.
The voices were loud.
But nobody minded the big junior crowd.
The finishing touches were added that night.
The streamers were tacked down.
The pond was just right.
Then the advisor exclaimed to them all,
"Everything's finished, Each flower and wall!"
We heard him say as he walked out of sight,
"Good-bye all you juniors.
Have fun on prom night."

Now I go down here and bring up a moon. How much am I bid for the moon? You see it a bright moon and brand new. What can I get to start it? How much? What! Who ever heard such a bid for a moon? Come now, gentlemen, come. This is a solid guaranteed moon. You may never have another chance to make a bid on a solid compact eighteen-carat durable gold moon. You could shape a thousand wedding rings out of this moongold. I can guarantee the gold and the weddings will last forever and then a thousand years more. Come gentlemen, no nonsense, make me a bid.

"Brains And Brawns"

This year our area can be very proud of its Tri-Town Squirts who won the New York State Squirt Championship. On the other hand athletic ability is not the only attribute which we can be proud of. S.L.C. student teams took part in a brain straining contest "The Blue and White Challenge". Who knows? If we could ever combine our brain and brawn we just might come up with a new breed of "Super Student".

St. Lawrence Central's Junior High Football team enjoyed its most successful season in its history as it compiled a 6 win 2 loss season. Coached by Bob Pickard and Barney Lantry, the junior Larries amassed 146 points to their opponents 38.

The highlight of the season was the 8-0 win over Tupper Lake, a team that has rarely suffered defeat in the past. The Larries lost to Tupper earlier in the season in Tupper 10-8, but had an outstanding game when defeating the junior Jacks. A strong Beekmantown eleven hung the other defeat on the locals 14-0 in the last game of the season. Earlier Beekmantown fell 14-0 to S.L.C.

The Junior Varsity season seems very disappointing in terms of the overall record, but in regards to the experience gained by the squad members, the value of the season becomes apparent. The team exhibited a "never say die" attitude for the entire season that allowed them to stay in many games in which they might have been defeated by a much greater score. These values will be a great asset to those team members who will play varsity football the following year.

The outstanding back picked by the coaches was freshman quarterback Mike Deleel. The outstanding lineman was sophomore tackle, Pat Lynch.

Wildcats Edge St. Lawrence

Fighting desperately to finish third and upset the Gouverneur Wildcats Coach Jerry Mahoney's Larries gave it everything they had but wound up on the short end of a 18-17 score, in what many felt was one of the best games of the season to watch.

Showing great determination the Larries got on the board as Steve Smith hit Rod Truax for a TD in the first quarter. The PAT was no good and at the end of the quarter it was 6-0. In the second quarter the Larries got deep with a first and goal but three plays saw them lose ground and Tony Truax hit a 28 yard field goal on a fourth down play. Gouverneur tallied on a six pointer, but they too missed the extra point and at halftime it was 9-6.

Gouverneur got the only third period TD to take the lead at 12-9 with one frantic period to go. The fourth quarter again featured a Smith to Rod Truax pass for a TK and then Smith hit Robert Oakes for a two point PAT. The Wildcats matched the TD but missed their extra point and a disappointed Larrie team saw third place disappear as the Wildcats grabbed third with their hard earned 18-17 win.

The final game saw the Larries run a remarkably even game as they totaled 137 yards on the ground and had 136 in the air. Steve Smith was 10 for 18 and finished the season earning great respect as a passer.

Rod Truax pushed for honors on the mythical League team as he grabbed 3 of 4 for 44 yards. Bob Oakes looked great with 3-4 also and 46 yards. Steve Michaud finished strong with 30 yards for 7. Deleel was 1-2 for 16 to finish their attack.

On the ground Mark Eldridge carried for 60 yards and Tom Hart had 39 on 11 totes. Smith kept the ball for 3 sneaks and picked up 30 yards. Rod Truax got only one call but that was good for 8 big yards.

Gouverneur had only 58 yards in the air but had 182 big ones on the ground and made them all count.

Defensively Dan Derouchie had a fine game with 5 tackles and 6 assist. Kevin Kinnear finished a great career with 7 tackles, and must be considered a strong candidate for all-league honors. Dave Wilson another All Northern candidate had his usual fine game with 7 and 7. Michaud gave next year's opponents something to think about as he made 9 grabs alone and helped out on two others. A fast improving Mike Sochia will return and finished his last game of the year with 6-2.

The Larries played a strong defensive game and David Scharf, Dave Yandoh, Bill Deleel and Bob Boutot were also singled out for praise by the staff.

It was a tough way to end the season but the boys did it in a hustling, determined manner and gave it all they had. Although it was not a 1972 season this team came a long way considering the losses suffered through graduation.

A team as young as this that can compile a 5-3 record in the tough Northern League has nothing to be ashamed of. We would like to take this opportunity on behalf of the team to thank the fans who supported them all year. They are a great bunch of fans who know their football and appreciate a fine effort.

Next time out a summary and farewell to the 1973 season.

The 1973-74 Larries Quintet an outstanding season with a league record of 11-4 which put them in 4th place in the standing to allow St. Lawrence to enter the playoffs for the second time in the school's history. Although St. Lawrence was defeated in the playoffs the team played great basketball throughout the season and set many records and individual highs. The St. Lawrence team consisted of the same players from last years team which went 2-13 on the season and some players up from last years JV. team. The team greatly improved and played as a unit throughout the season scoring in the double figures. The Larries coaching staff was changed at the end of last year and our two new coaches should receive great praise for a job well done. Our two new coaches are Mr. F. Mammano and Butch Shorette. Thank you for a Great season and good luck in the future.

Chris Kilcoyne, who would have been a junior at St. Lawrence Central in Brasher Falls, has recently become a member of the Junior "A" hockey team at Pembroke, Ontario, Canada. On Sept. 7, 8, and 9, Chris faced tough competition from such areas as Boston, Buffalo, Toronto, and Kingston. After much hard work, Chris earned the spot of goal-tender with the Pembrooke Lumberkings training camp, Chris went to Rockland, Ontario as goal-tender with the Rockland Nationals. He played with the Nationals in the Ontario Central Junior "A" Hockey league for the "73-74" season.

This is the first time a student from St. Lawrence has accomplished such a feat. This illustrates that a person really can accomplish what he wants, as long as he's willing to work for it. Chris only had two years of actual playing at SLC. The past summer he acquired valuable experience at the Point Claire Hockey Training School and at the Mount Royal Hockey Arena in Montreal. It takes a lot of thought and dedication to be able to know what you want and to help yourself to obtain it.

Larries to defend diamond title; hurlers, sluggers back

St. Lawrence Central's Northern League and Section 10 baseball Champions of 1972 are presently working out in preparation for the defense of their titles. Coach Frank Mammano has a veteran club that helped compile an overall 18-4 record last year.

Prospects are bright for the Larries as they have potentially strong pitching, hitting and fielding. "If the returning lettermen play up to their expectations few jobs appear open," Mammano said.

The pitching staff will be led by big Mike Murtagh who had a 7-2 record last year with a 1.42 ERA. An All Northern for two years, Murtagh had 114 strike outs last year. When not on the mound Murtagh will probably see duty in right field as he posted a devastating .375 batting average last year.

Tony Austin was 2-1 last year and will see some mound duty. Austin is a fine defensive centerfielder and will probably win the regular center field job. Joe LaValley is up from the JV's where he was the leading hurler. Mammano expects LaValley to earn a regular rotation spot. LaValley is also a capable infielder. The Larries will always have Kirk Dempsey available for mound duty if needed.

One of the few battles for starting lineup will come at first base. Bruce Hibbert, a senior, saw little action last year but is expected to give senior Dave Villnave a real battle. Villnave is a fine defensive player but needs to improve at the plate.

Honorable mention All Northern, Jeff Rose, has the inside track at second. A .265 hitter, he has good range and a strong arm.

A two-time All Northern, Kirk Dempsey will handle the shortstop job. Tremendous range and a fantastic arm along with a .545 batting average makes Dempsey a strong candidate for league honors again. Third base is up for grabs with Matt Nezezon a strong possibility to nail the starting slot.

Rick Bradish, a good defensive catcher with outstanding speed and a strong arm, appears set behind the plate. If the hustling junior has a good year he will more than makeup for the loss of M. Villnave through graduation.

All Northern Rod Truax appears set in left field. Truax hit .269 and went errorless through the season. A great threat on the base paths, he is also a valuable leadoff man. With Austin in center, it appears a real battle will take place for the other outfield spot.

Senior John Keenan is an excellent runner and if his hitting improves could be the starter. Newcomer Hubert Brown seems to have a fine batting eye and will get a long look from coach Mammano. Rick TenEyck is up from the JV's and is a great team "cheerleader." TenEyck could surprise this year.

Pinch hitter extraordinary is Jerry Smith. Tough to keep off the bases, he will also see service in the outfield.

Assisting Coach Mammano will be "Butch" Shorette. Managers are veterans Kim McLaughlin and Keith Savage. The "Women's Lib" representative is Julie Green, as scorekeeper.

The 10-2 league record resulted in a tie with Massena for the Eastern Division Champions and a berth in the sectionals. In the semi-finals, the Larries defeated Madrid 9-5. The championship went to Massena as the Red Raiders captured the finals 4-3.

All Northern First Team selections were achieved by Kirk Dempsey-shortstop, Jeff Rose-2nd base, Tony Austin-3rd base, Mike Murtagh-pitcher and Rodney Truax-outfield. Honorable mention went to pitcher Joe LaValley who was selected most valuable player.

Jeff Rose was the leading hitter with a .436 batting average.

Unbelievable Seventh Defeats St. Lawrence

The last game of the Northern Baseball League's season was one Massena Central and St. Lawrence Central will not forget for a while. The Raiders took the game and the title 4-3 with a wild seventh inning.

St. Lawrence, behind Mike Murtaugh's one hit pitching, went to the top of the seventh leading 3-1. Massena managed two walks and had two outs when Coach Mike Nicholas decided to let the eventual winner Jim Goodfellow, to bat and Jim's .067 batting average made this a questionable move. However, Goodfellow justified the confidence of the coach as he lined a double up the alley in left center. Pat Wagstaff and George Kingston raced in to score to tie the match. The play to catch Kingston was a wild throw at the plate. Goodfellow started for third and the play there was wild allowing the winning pitcher to score the winning run of the championship game.

The word "unbelievable" is used for several reasons. St. Lawrence has good defense and it broke down at a crucial point. Goodfellow can't hit and did. Coaches don't use .067 hitters with the tying runs on in the last inning with two out but Nicholas did and everything turned out just fine.

Goodfellow was not through yet. With the tying run on third base in the last of the seventh, big James struck out the hard hitting Kirk Dempsey to end the game and give Massena the title over the defending champion Larries.

Rod Truax had a run scoring single in the third and LaValley punched in two runs with two singles. The Raiders first run came on errors in the fourth frame.

So the Raiders are the champs for 1973. Congrats from here to the Coach and team. Very shortly The Observer will publish the complete statistics on the Massena team. This paper's thanks goes to MCS student Steve Fayette who phoned in all the details of the 1973 season.

The students in Mr. Dawson's Public Speaking Class each had to write a three to five minute speech to be eligible to enter the Voice of Democracy Oratorical Contest. The title this year was "My Responsibility as a Citizen". Each speech was taped and then judged by several teachers. After two days the winner, David Wilson, was announced and his speech will be entered in the competition among local schools.

Off With The Old, On With The New

As you explore new horizons and gain new perspectives you will probably look back on your school years as the foundation on which you have built your life style. The class of 74 has discovered that ending such a vital segment of their lives is a difficult process, but, saying goodbye is a necessary part of completing the cycle. Therefore seniors are saying goodbye to SLC and hello to a new way of life.
